I have received and reviewed CHANT's discipline procedures, service hours contract, fundraising agreement and the parent and athlete code of conducts. I agree to what is found there within. I understand the steps my athlete's coaches will take should an issue arise and when I should expect to be notified should coaches or my athlete need me to partner alongside them. The contact information above is the best way for my athlete's coach to reach out to me.

I have read and understood CHANT's mission and will support CHANT coaches, board members and athletes in upholding that mission to the best of my ability.

**CHANT Mission Statement:**

**Chant strives to offer an opportunity where athletes can exercise their God-given talents to the best of their abilities and develop Christ-like character through the pursuit of excellence in competitive athletics.**

I have reviewed the CHANT organization flow chart and coach's requirements for the 2025-2026 season. I understand the process and procedure of who to speak to if an issue for my athlete or myself arises.
